**TITLE:** Sale of Parcel E-11 of North Albuquerque Acres

**ACTION:** Motion to approve:

1. The sale of Parcel E-11 of North Albuquerque Acres by Quitclaim Deed to D.C.L.P. Trust, Pursuant to State Statutes 13-6-2 and 13-6-2.1.
2. Administrative Resolution **AR -2006** supporting approval of the Sale.
3. Financial Resolution **FR - 2006** increasing the budget and accepting \$139,800 from the sale of Parcel E-11 of North Albuquerque Acres.

## SUMMARY:

The sale of these parcels was previously solicited through RFB #0064-RS on February 27, 2006, which resulted “no bids” received. Public Works then went directly to realtors, developers and other private parties in the North Albuquerque Acres community to explore any real sale potential. This process produced one serious offer on Parcel E-11 from the D.C.L. P. Trust for the appraised value of \$139,800.00. Parcel E-11 is located at the northwest corner of Paseo del Norte and Eubank Street NE, North Albuquerque Acres and contains 15,529 square feet. The market value appraisal by Charles Graham Appraisal & Consulting Services, dated May 18, 2005, estimated the value of this parcel to be \$139,800.00 at \$9.00 per square foot. Access to this corner tract is to the south side (frontage) of Holly NE. Upon the Board’s approval, the County must submit a request to the State Board of Finance, including an Administrative Resolution, authorizing the sale and a provision making the sale subject to approval by the State Board of Finance.

Parcel E-11 is comprised of a portion of Lot 1, Block 20, NAA, Tract 3, Unit 1, a portion purchased from the St. Peter's Angelican Catholic Church for the Paseo del Norte road construction project. County Public Works Division has determined that this excess land is no longer required for any other public project and its sale will to generate funding for other County/Federal projects. There are no adverse impacts to any public agency or the well being of the public. This land will be returned to the private sector increasing the tax base and make funds available to the County for other federally funded projects within Bernalillo County.
